PROUT CATAMARANS (PROUT BOAT SERVICES LTD.)

S I R O C C O 2 6

STANDARD SPECIFICATION

DIMENSIONS:-	L.O.A.	25ft. 11 ins.	(7.89m)
	L.W.L.	22ft. 6 ins.	(6.85m)
	BEAM	12ft. 9 ins.	(3.88m)
	DRAFT	2ft. 4 ins.	(0.71m)
	DISPLACEMENT	4,000 lbs.	(1813.6 Kg.)

STANDARD EQUIPMENT

1. CONSTRUCTION:

Strength, so essential in a catamaran, is achieved by the bulkhead locations and the one-piece deck mouldings bonded together.

Hull

There are reinforced stress points in the hulls, bridgedeck and nacelle which is a one-piece moulding.

Deck

The one-piece deck moulding is reinforced with an endgrain balsa sandwich to give stiffness and insulation. There are also further plywood reinforcings at other areas which carry fittings.

Interior

The interior mouldings and furniture are bonded to the hull to give additional strength and rigidity.

2. ACCOMMODATION

Finishes

Teak faced trims on glass moulded components, vinyl and fabric deck head and hull side linings.

Aft Cabin (starboard side)

- Single 6ft. 6ins. berth with 4 inch cushions covered in Meraklon or similar.
- Stowage under berth.
- Water tank inspection hatch.
- Bulkhead light.
- Hull linings.
- GRP headlinings.
- Sliding windows.

Galley (Centre cabin, starboard side)

- Galley sink.
- Fresh water footpump.
- 2 burner cooker with grill.
- Aluminium heatshield.
- Unit with sliding teak ply doors.
- Durable work surfaces.

Continued 2/

..... Galley (continued)

- Unit with work surface, drawers, doors and stowage above.
- Fluorescent light.
- grp water tank under floor.
- moulded one-step unit.
- soft linings, teak faced main bulkhead.

Forward cabin (starboard side)

- Single berth with 4" cushion covered in Meraklon or similar.
- Stowage under.
- Bulkhead light.
- Hull linings.
- Tannoy vent.
- Buoyancy tank.

Aft cabin (port side)

- Single berth with 4" cushion covered in Meraklon or similar.
- Stowage under.
- Bulkhead light.
- Vinyl hull linings.
- GRP headlinings.
- Water tank inspection hatch.
- Sliding window.

Centre cabin (Port side)

- Storage lockers.
- Slide-away chart table (full size).
- Switch and fuse panel.
- GRP Water tank.
- Moulded one-step unit.
- Linings as starboard side.
-

Forward cabin (Port side) (toilet)

- GRP shower tray with teak grating.
- Wash basin unit c/w footpump and waste fittings.
- Sea toilet with inlet and outlet both with seacocks.
- Fluorescent light.
- Vinyl lining.
- Tannoy vent.
- Half-Bulkhead for stowage.
- Buoyancy tank.

Central cabin, amidships

- Section with 4" cushions covered in Meraklon or similar.
- Fluorescent light.
- Reinforced companionway and main hatch.
- Vinyl linings.
- Removable table.
- Campa hatch or similar.
- Teak trims.

Continued 3/

..... continued.

Forward cabin, amidships

- Permanent double berth with 4" cushions covered in Meraklon.
- Soft headlinings.
- Fluorescent light.
- Teak trims.

3. DECK FITTINGS

- 5 off 8" deck cleats.
- 1 bow roller (heavy duty).
- 2 Clamcleats.
- 2 Genoa tracks and sliders.
- Set of S.S. Chainplates (8 off).
- Lifelines and stanchions.
- Double rail pulpit.
- 2 Winches (Lewmar 16 or similar).
